

*Don't rain on my parade
Beyond the sea
Mack the knife
Come fly with me
New York New York
Fly me to the moon
The way you look tonight
Luck be a lady tonight
You make feel so young
Strangers in the night
I get a kick out of you
Something stupid
It was a very good year
That's life
My way
My funny valentine
I've got you under my skin
The lady is a tramp
Call me irresponsible
Ain't that a kick in the head
That's amore
Mr Bojangles
Feeling good
Me and Mrs Jones
Moondance
Fever
For once in my life
Georgia on my mind
Straighten up and fly right*

The impossible dream
Left my heart in San Francisco
Moon river
You'll never walk alone
Your nobody 'till somebody loves you
The girl from Ipanema
Nothing but the best
The impossible dream
The good life
Drinking again
Best is yet to come
Gonna live till I die
If I can dream
I just wanna make love to you
I wanna be like you
My kind of town
Sway
Summer wind
Bewitched
Moonlight serenade
Witchcraft
White Christmas
Have yourself a merry little Christmas
Winter wonderland
Silent night
Santa Claus is coming to town
Let it snow
Jingle bells
I'll be home for Christmas
